

Mixtaplus

shelving solutions for libraries and information centres

CHORUS

1

Wood and Wood

30mm wood uprights and wood shelves available in beech, oak, maple, cherry and walnut veneers.
Handsome, corporate, professional.

3

MFC and MFC

25mm MFC uprights and MFC shelves available in beech, oak and maple.
All wood look, lower cost.

2

Wood and Steel

30mm wood uprights available in beech, oak, maple, cherry and walnut veneers with steel shelves in silver, white, black and navy.
Clean crisp and Scandinavian.

4

MFC and Steel

25mm MFC uprights available in beech, oak and maple with steel shelves in silver, white, black and navy.
Simple, strong, economic.

CHORUS

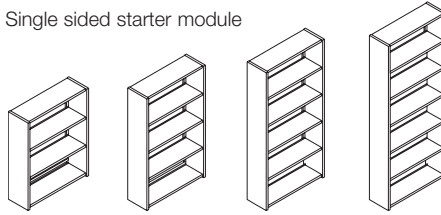

The **Mixtaplus** shelving system is fully comprehensive in the range of sizes and specifications necessary for the successful operation of both corporate and institutional libraries and information centres.

Combinations of veneers, lacquers, MFC and steel shelves and uprights conspire to produce a simple and classic Scandinavian aesthetic for varying budgets.
